KSB HOSPITAL AND PHYSICIANS IMMEDIATE CARE OPEN URGENT CARE CLINIC TOGETHER IN DIXON

New clinical collaboration to coordinate patient care

Dixon, IL, July 28, 2014 –Today, KSB Hospital, the leading not-for-profit health system serving Dixon-area residents, and Physicians Immediate Care – the largest urgent care provider in Illinois – celebrated the grand opening of a new state-of-the-art urgent care clinic with Mayor James Burke and members of the Dixon Chamber of Commerce.

“We’re excited to partner with Physicians Immediate Care, expanding the healthcare options available for the Dixon community”, said Dave Schreiner, President and CEO of KSB Hospital. “Coordinating care between the family physician, the hospital, and our clinic creates a more efficient and affordable experience for everyone”, added Stan Blaylock, CEO of Physicians Immediate Care.

The new clinic – located at 1672 South Galena Avenue (in front of Walmart) is fully equipped with X-ray capability, lab testing and seven exam rooms -- including a pediatric room and trauma room -- for treating non-life-threatening injuries and illnesses. The walk-in medical facility will treat patients from 7:30 a.m. to 8 p.m. Monday through Friday and 8 a.m. to 4 p.m. on weekends.

About KSB Hospital

Katherine Shaw Bethea Hospital is a not-for-profit, 80-bed acute care hospital located in Dixon, Illinois. The KSB Medical Group consists of more than 70 physicians employed by KSB Hospital to provide care in 10 service locations in Lee and Ogle Counties. From obstetrics to orthopedics, from home health care to the cardiac services laboratory, KSB offers programs that reflect our desire to meet the growing, changing needs of those we serve and to remain focused on the picture of health.

About Physicians Immediate Care

Physicians Immediate Care, also known as Physicians Urgent Care, is a Midwest leader in urgent care and occupational health. For more than 25 years, it has provided affordable, convenient medical care to more than one million patients. The company is dedicated to building healthy communities by providing remarkable care you can count on, when and where you need it. It has a network of more than 30 clinics, each fully equipped to provide X-rays, lab work, minor surgical procedures, immunizations and drug and alcohol tests.
