

WE'RE HERE WHEN YOU NEED US

For more than 30 years, we've been dedicated to bringing affordable and convenient health care to the communities that we serve. With extended weekday and weekend hours, we're here when you need us—no appointment needed.

ABOUT US

At Physicians Immediate Care, we're not just treating sudden injuries and stubborn illnesses—we're also curing the worry that comes with an unexpected health issue.

QUICK & CONVENIENT

- Check in online or just walk in, no appointment needed.
- Our short wait times ensure that you get in quickly.

PASSIONATE PROVIDERS

- Our staff provides expert, attentive care that is never rushed.
- Our medical team includes physicians, physician assistants, clinical technologists and radiologic technologists.

AFFORDABLE CARE

- We accept most insurance plans as well as credit card, check and cash payments.
- Uninsured? We offer simple, straightforward pricing at set rates. Ask about our affordable, worry-free pricing today.
