Do you need to take a medical exam for a green card? Don't worry, we can help! For nearly a decade we've helped thousands of people get their immigration medical exams done right, the first time.

## Our exams offer:

### CONVENIENCE

Our clinics offering immigration exams are open seven days a week. We accept walk-ins for first visit with appointments available.

### ACCURACY

We know the impact of incomplete or rejected paperwork. We offer comprehensive training to our civil surgeons and employees to make sure they know the ins and outs of the process and adhere to USCIS guidelines.

### EXPERTISE

Physicians Immediate Care has been serving patients like you for over 30 years. We have helped thousands of people get their immigration exams done so they can focus on building the life they want.
