

Your COVID-19 test specimen is being processed by Quest Diagnostics®

Getting your COVID-19 test result through MyQuest™

Your test results will be sent to you through the secure MyQuest online portal or app.

Don't have MyQuest?

See steps to create an account to the right.

My Circle lets you see your family's test results

My Circle, a feature of MyQuest, lets you request permission to access updates on your loved ones' health, including their test results.

*Available on iPhones® running iOS 11.3 or later.

Important information

These tests are being offered under an Emergency Use Authorization (EUA) by the FDA. The EUA stipulates the tests may be used only by Quest laboratories and only for the detection of nucleic acid from SARS CoV-2, not for any other viruses or pathogens. The authorization is valid only for the duration of the declaration that circumstances exist justifying the EUA for in vitro diagnostic tests for the detection and/or diagnosis of COVID-19 under Section 564(b)(1) of the Act 21, U.S.C. § 360bbb-3(b)(1), unless the authorization is terminated or revoked sooner.

How to get your test results

- 1 Sign up for MyQuest at MyQuest.QuestDiagnostics.com, or download the MyQuest app.
- 2 Check your email for a message from Quest. Click the link to confirm your email address.
- 3 Log in to your MyQuest account using the username and password that you chose when you signed up.
- 4 Select the "Verify Your Identity" option. Accept the Patient Authorization (*HIPAA Authorization*).
- 5 Complete the Identity Verification Process.
- 6 You're set! You will now get your Quest Diagnostics test results through your MyQuest account.

*Steps 1-5 must be completed to receive your results and the following information associated with your MyQuest account must match the information you provided for this testing: full name, date of birth, full address (street, city, state, and zip code), and your 10-digit phone number.
